## Debut: Gay Rag Radio Podcast

### Friday, August 17, 2007

We're here for your Queer listening ear!

The Gay Rag is a new weekly internet radio podcast chatfest, featuring a team of dynamic gays of different ages, experiences and backgrounds from across the LGBT community discussing the most exciting fabulous events of the day. [www.gayrag.com](http://www.gayrag.com)

The broadcast provides listeners with gay lasagna. Layers of content with the latest in gay domestic and international news, interviews with GLBT newsmakers from the worlds of politics, business, media, entertainment, pop culture, style, travel, sexuality, financial, health, social issues and sports. Gay Rag podcast is fresh, honest, helpful, flirty, outrageous, funny, intelligent, sassy and worldly.

GayRag radio podcast differentiates itself dramatically from other gay media by focusing on fresh content and opinions, which empowers, educates, challenges, and entertains the queer community.
