Dear Member of Our Savior,

We have missed seeing you at Our Savior Lutheran Church. We want you to know that your church family is missing you. Of course, there is always the possibility in a church our size that we simply overlooked you in church or that you forgot to sign the communion register, and if either be the case, please accept our apologies.

Hopefully you have heard from your elder this year. We are trying to focus on our membership and attendance this year, and so efforts are being made to encourage all of our members to come to church more regularly (weekly is best for you). We want our congregation to grow in greater care for each other and this means being here for each other. We want you to be cared for among your church family. Please let us know how you are doing by coming to church and finding one of us to speak to.

When a brother or sister in Christ is absent from the services it could be caused by sickness, work or vacation. When there is a reason for your extended absences, we — the Pastors and Board of Elders — would like to know. It is our duty and privilege to care about you and for all the members of the congregation. You are precious to us, as you are to the Lord himself.

If you are sick or a family member is ill or there is a hardship in the family that is keeping you from attending church, we especially want to know so that we can offer our help and our prayers. If you have been attending or have joined another church please let us know. We urge you to contact the Pastors or an Elder immediately and inform us of your situation.

In today's uncertain times and modern-day pace, it's so easy for the cares, pleasures, and busyness of life itself to interfere with our greatest need, the need for forgiveness. If this is the case, we encourage you to return to the house of God to hear his Word and receive the Sacraments, which alone can make one's faith in Christ and love for the neighbor burn hot again. Forgiveness is given freely here, because that is how Christ has forgiven us.

Please join us this Sunday for your sake. We gather for Divine Services at 8:00 & 10:45am with education opportunities in between services. We also have a Monday night service at 7:00pm for those who can't make it Sunday morning.

Again we miss you in church and we hope and pray that we'll see you back here real soon.

In Christian Love and Concern,

Pastor Scheer
